About Us

18 Mill Street is a unique multi-use space that is home to The Lash Nook and other beauty artists. It was conceived by Kara Miles, the owner of The Lash Nook, and is designed to bring women together to celebrate and empower each other. Not only will we be hosting our own events, but you can too! The rental space is available for a variety of bookings, including bridal suites, birthday parties, networking events, art shows, and classes.

This 900+ square foot space is open-concept, industrial and flooded with natural light. Located in downtown Carleton Place near many local shops, restaurants, and the Mississippi River, it's perfect for micro weddings. Yes, we do weddings!

Our space is a blank canvas that allows for 100% personalization for each booking. You have complete flexibility in choosing the decor, catering, and other services for your event. We encourage you to choose outside providers that align with your taste and preferences.

In certain cases, we may recommend the assistance of experienced wedding or event planners, or day-of coordinators to ensure your event runs smoothly. However, we trust that you'll make the best decision for your special day.

Get ready to witness the beauty that lies within 18 Mill Street! This space has been crafted to perfection, with the purpose of bringing women together for socializing, learning, moving and uniting!
